

**WOMEN'S SOCCER TEAMS SIGNING UP FOR
THIRD ANNUAL GOALS FOR LIFE CHARITY TOURNAMENT
TO BENEFIT DOMESTIC VIOLENCE SERVICES**

***MORE THAN 20 TEAMS EXPECTED TO COMPETE ON JUNE 7
AT BROOKDALE PARK IN ESSEX COUNTY***

Goals for Life is registering teams for its Third Annual Women's Charity Soccer Tournament, to be held on Saturday, June 7 at Brookdale Park in Essex County, New Jersey. Proceeds from the Goals For Life Tournament will be donated to domestic violence prevention, education and emergency services programs servicing greater Essex County.

More than 20 women's teams are expected to compete in two divisions in the Goals For Life Tournament. Running from dawn to dusk, each team will play in at least three matches. The first three teams to register will receive Goals For Life t-shirts for all their players.

Registration forms can be found on the Goals For Life web site (www.goalsforlife.org) or by calling the Goals for Life office at 973.744.3003.

Funds will be raised at the Tournament through team entry fees (\$300 per team), an advertising journal and concessions. In addition, local stores will be selling items, with a percentage of proceeds being donated to Goals For Life. Children's activities will include face painting, balloon art and more.

Goals For Life is a Montclair, New Jersey-based, non-profit organization founded nearly three years ago, whose mission is to raise funds for women's health initiatives. In the past two years, Goals For Life has donated \$60,000 to breast cancer programs. This year, funds will be donated to provide a much needed emergency transportation service for domestic violence victims and food and medical supplies for those victims in need. Donations will fund continuing education programs for volunteers, prevention education, self-defense programs and community awareness programs for adults and teens. Additional funds will go towards training for new volunteers.

Volunteers - soccer players and non-soccer players alike - are welcomed to participate in Goals For Life's fund-raising activities. For additional information, contact Goals For Life by telephone (973.744.3003) or via e-mail on the organization's web site (www.goalsforlife.org).
